

New SEBI Website Launched

SEBI has launched a new version of its website www.sebi.gov.in with enhanced user friendly features.

Some of the salient features of the new SEBI website are as under –

- The revamped website will ensure a better user experience across various devices, including desktop and mobile.
- The new website has responsive web pages which will adjust to the resolution of the device being used.
- The 'Search' function has been enhanced with better search facilities in databases as well as in the content files.
- The content has been enhanced to enable need based search in order to increase accessibility of data.
- The speed of loading web pages has also been enhanced significantly.

- The website now also allows visitors to share web pages on their social media network.

The new website is compliant with Web Content Accessibility Guidelines (WCAG) 2.0 Level AA for making web content more accessible to differently abled people and also conforms to the guidelines for Indian government websites.
