NOTICE

Sub: Regarding live tracking of online applications/ proposals.

In continuation of this Ministry's Web-Notice dated 02.11.2018, it is informed that now Broadcasters can view the live tracking/status of the applications filed online on web portal www.broadcastseva.gov.in.

2. In order to check the status, the applicant needs to:
 - a. Go to the broadcastseva portal
 - b. Login as an existing user.
 - c. Enter his User ID & Password.
 - d. Click on the submitted application, for which he wants to check the status.
 - e. Once the user selects an Application, a dashboard table will appear at the bottom, where he can see the Application number along with its status (whether its Under Process or already been Processed).
 - f. Applicant can also download the same in the form of a PDF.

3. Further, it is reiterated that all applications should be submitted **online only** through web portal www.broadcastseva.gov.in and **no application received through offline mode will be entertained**. However, the companies will be required to send the affidavits/undertaking, in original, through offline mode as well.
