MEMO

Subject: Circular on sensitizing the licence holders of Ammonium Nitrate Storage Magazines, covered under licence in Form P-3 of Ammonium Nitrate Rules 2012.

National Disaster Management Authority (NDMA) is involved in the process of assessing the exiting safety protocols available at the Major Accident Hazard premises including the premises for storage of Ammonium Nitrate. In this regard all the licence holders of Ammonium Nitrate Storage Magazines, covered under licence in Form P-3 of Ammonium Nitrate Rules 2012 with storage capacity is more than 350 MT are requested to revise/ update their On-site emergency plan as required under Rule 13 of Manufacture Storage & Import of Hazardous Chemicals Rules 1989. A copy of the updated Plans shall be submitted to concerned PESO office as per their inspection jurisdiction.

(P. Kumar)

Jt. Chief Controller of Explosives (HOD)

To

1. All licence holders of Ammonium Nitrate Storage Magazines, covered under licence in Form P-3 of Ammonium Nitrate Rules 2012.
2. All Circle and Sub Circle Offices, are advised to intimate the same to licence holders of Ammonium Nitrate Storage Magazines within their inspection jurisdiction and shall verify the Onsite-emergency plan on receipt. A consolidated report in this regard may be submitted to this office within a 30 days.
