Sub: - Caravan tourism – Waste treatment & disposal - reg.

Ref:- Estimate committee (2021-23)-Recommendations in report

Estimate committee is its 1<sup>st</sup> report (2021-23) has recommended to issue norms for waste disposal with respect to Caravan tourism parks.

In the tourism Sector, the specially built vehicles used for the purpose of travel and leisure are known as 'Caravan'. Caravan tourism is acquiring popularity in Kerala.

- 1. The vehicles used for caravan tourism is not required to obtain consent of the Board.
- 2. The place where caravans camp, referred to as Caravan Parks, comes under the consent purview of the Board in 'Orange' category. Facilities like laundry, toilets, wash rooms, kitchen etc are usually available in Caravan Parks based on the policy formulated by the Ministry of Tourism, Govt of India. Facilities may vary depending upon the number of vehicles using the park. The parks should have adequate facilities for proper treatment and disposal of sewage and wash water. It should also have facilities for proper collection and disposal of solid waste generated. The criteria for orange category will prevail.

Consent may be issued based on the adequacy of pollution control measures provided in the park.
